Part-Time Instructor, Management Information Systems (MIS)

Position Summary

The Faculty of Business Administration is seeking a qualified Part-Time Instructor in Management Information Systems (MIS) to teach undergraduate and Graduate courses in information systems and digital business. The ideal candidate will bring both academic grounding and practical industry experience.

Key Responsibilities

- Teach MIS-related courses such as Introduction to MIS, Systems Analysis & Design, ERP Systems, Decision Support Systems, and Digital Transformation.
- Prepare course materials, assessments, and learning activities aligned with program learning outcomes.
- Incorporate real-world cases, emerging technologies, and practical applications into classroom teaching.
- Support student learning through office hours, academic guidance, and timely feedback.

Qualifications

- Master's degree or higher in MIS , Information Technology Management, Computer Information Systems, or related field.
- Prior university teaching experience is preferred.
- Industry experience in IT systems, data management, digital transformation, or business analytics is an asset.
- Strong communication and classroom management skills.
- DBA or PhD is a must for teaching at the Graduate Level.

Applying:

Interested applicants are asked to submit the following via email to hr.office@aut.edu with the topic " **PT MIS"**

1. A letter of interest
2. Curriculum vitae
3. Professional references

Screening of applicants will start as soon as applications are received and will continue until the position is filled.

The American University of Technology is an equal-opportunity institution that does not discriminate based on race, color, gender, national origin, age, religion, sexual orientation or disability in its admissions, student aid, employment practices, education programs or other related activities.
We thank all applicants for their interest; however, only those selected for interview will be contacted.
