

## **Part-Time Instructor, Transport & Logistics Management**

### **Position Summary**

The Faculty of Business Administration is seeking a qualified Part-Time Instructor in Transport and Logistics Management. We seek practitioners or academics with strong expertise in supply chain operations and global logistics.

### **Key Responsibilities**

- Teach courses such as Transportation Management, Supply Chain Operations, Logistics Planning, Warehousing & Inventory Management, and International Trade Logistics.
- Deliver lectures, case studies, and applied learning exercises reflecting current industry practices.
- Assess student performance fairly and transparently.
- Contribute to curriculum development and continuous improvement of logistics programs.

### **Qualifications**

- Master's degree or higher in Logistics Management, Supply Chain Management, Operations Management, or a related field.
- Relevant professional experience in logistics, transport operations, freight management, or supply chain consulting.
- Teaching or training experience preferred.
- Certification (e.g., CSCP, CLTD, SCPro) is an added advantage.
- DBA or PhD is a must for teaching at the Graduate Level.

### **Applying:**

Interested applicants are asked to submit the following via email to [hr.office@aut.edu](mailto:hr.office@aut.edu) with the topic “**PT Transport & Logistics Management**”

1. A letter of interest
2. Curriculum vitae
3. Professional references

Screening of applicants will start as soon as applications are received and will continue until the position is filled.

*The American University of Technology is an equal-opportunity institution that does not discriminate based on race, color, gender, national origin, age, religion, sexual orientation or disability in its admissions, student aid, employment practices, education programs or other related activities.*

*We thank all applicants for their interest; however, only those selected for interview will be contacted.*
